MEMORANDUM FOR: See Distribution

FROM:

Office of Planning

25X1

SUBJECT: 1982 DCI Annual Report to the Congress

1. Attached is the first draft of the overview of the DCI's Annual Report to the Congress. I would appreciate any comments you might have concerning its content. The second section, Intelligence Support to Policy Formulation, is being reviewed by the originating office and I anticipate some major changes, but this is of less concern to me than the other sections at this stage. Please have your comments to me by noon, Thursday, 6 January.

2. I hope to consolidate all changes by COB 6 January for review by D/ICS and DD/ICS on 7 January. It will be forwarded to DCI and DDCI by COB 10 January. Thank you.
